CONSULTING

JÉMOPLASTIC

EXPERTS FOR YOUR PROJECTS IN POLYMERS

Our Network of Competencies September 2017

OUR FOCUS : THE MARKET FIELD OF POLYMERS

Whose team has broad expertise in the **polymer field**

With large industrial **experience**

Involving a wide range of materials, processes and end use markets

WE PROVIDE 3 LINES OF SERVICES

SALES

Improve your sales techniques thanks to the implementation of digital and best practices follow up

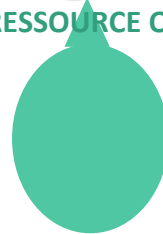

MARKETING

Set-up effective marketing strategies to engage with your audience.

RESSOURCE ORGANIZATION

Adapt human resources and management to the new practices.

LAB & PRODUCTION

Initiate projects with chemical formulators having in-house processing capabilities.

TECHNICAL

Get experts technical insights on specific chemicals, polymers, processing techniques, tooling and designs and more.

JÉMOPLASTIC

JÉMOPLASTIC was founded in 2009 to provide flexibility in projects of **technical** and **commercial** developments.

Recognized as **J.E.I** (Innovative company)

Recognized as a **Marketing Expert** by Scientipole Croissance

Fluent in French, English, Spanish,

Our Experts

Jean MORAGUES

Engineering degree in **Chemistry** and **Physics of Materials**
Ph.D In **Polymer science** from INSA

For 20 years, working in the key industry players: Repsol, Sabic & DSM.
As **R&D; Product Manager; Sales Director; International Sales Account**

Raphael Mestanza

Engineering degree in **Chemistry** and **PH.D in Polymer Science**; certified **6 sigma (Green 6 Sigma Belt)**

Experience over 20 years in the sector of plastics, in **R&D** and **Innovation manager** for Solvay, Polytechs; SpecialChem.

Team of Consultants

Martin (Ge –NL)

Sales Process Acceleration Engineer
Chemical Engineer - 25 years

Manfred (Ge-NL)

Product Development Manager
Mechanical Engineering/ Polymer Science
Medical

Jean Yves (Fr)

Ruber & Elastomers Compounding Manager
Chemical Engineer

Eric (Fr)

Thermoplastic Compounding Advisor
Ph.D Polymer Science

Frédéric (Fr)

Environmental & Technology Manager
Environmental & Technology Manager Engineer

Elena (Sp)

Grafic Designer & Visual communication
IT & Design Engineer

32 others regular experts
